

FlexiPads® in New Colors: Blue Jeans/Granate Denim & Petrol Two Tone

New in the Passier portfolio: the popular FlexiPads® in the stylish colors Blue Jeans/Granate Denim and Petrol Two Tone.

Versatile: The FlexiPads® are reversible and can be used with either side up. The pads are available in “dressage” and “jumping” style.

Certified: The Passier FlexiPads® have been tested and certified as particularly easy on the horse by the renowned IST-Institute, Munich, and by the Technical University of Munich, Schmitt-Thomas Research Group. They adjust perfectly to the back of the horse and the saddle and can therefore compensate for changes in the shape of the horse as it develops during training. They absorb the pressure – the muscles of the horse can relax.

Easy to clean: Both pads can be easily washed in warm water (30°C).

The FlexiPads® in the new colors are available from Passier stockists. You can easily find Passier dealerships in your area with the Store-Locator at passier.com.
